### 3. See Ten Years

*A commemoration.*

Rachel Uffner, 170 Suffolk Street,  
through October 28.

I measure the perspicacity, acumen, passion, and visual acuteness of gallerists by their history of identifying unknown artists of their own time, exhibiting their work (whether I like it or not), and seeing it become part of the discourse. Rachel Uffner has done this for ten years. Against all odds, Uffner has shown and nurtured deserving, previously nameless artists. This anniversary exhibition celebrates and shows just this. Hail, gallerist. J.S.
